E-safety policy within the scope of our students take advantage of the opportunities brought by emerging technologies, as well as regarding awareness of the risks these risks reviews, things go wrong if a trusted adult ( parent, teacher, etc.) they were made aware of the issues of asking for help. Our students should never share their personal information on social media and should understand the negative consequences of such sharing. Many thanks to our guidance counselor Baykan YARDIM, who made the presentation.

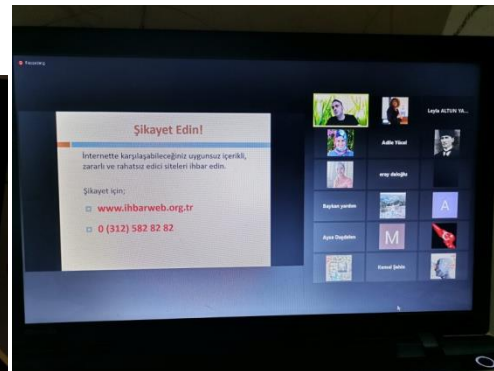

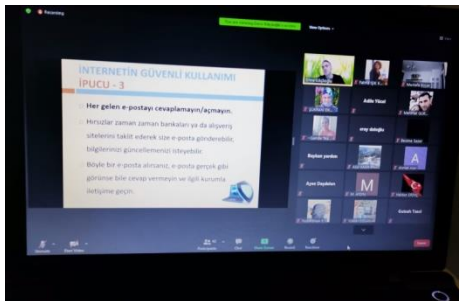

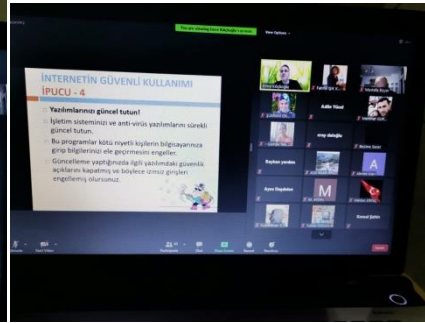

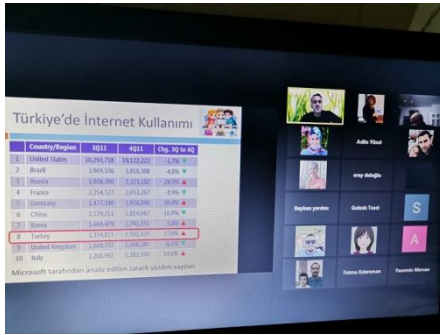

## Mezitli Imam Hatip Secondary School Internet Security Parent Education (2020-2021)

During the distance education period, trainings on "conscious use of Technology and Technology Addiction" were given online for our school parents by our school guidance teacher Baykan YARDIM. Our parents were shown videos about the proper use of technology and the internet. In this process, our children were told what dangers they could face and how to behave in the face of these dangers.

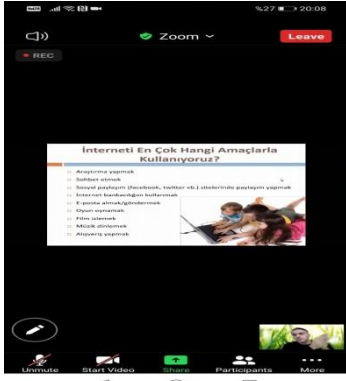

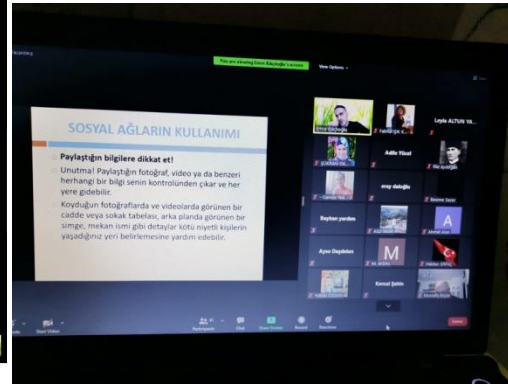

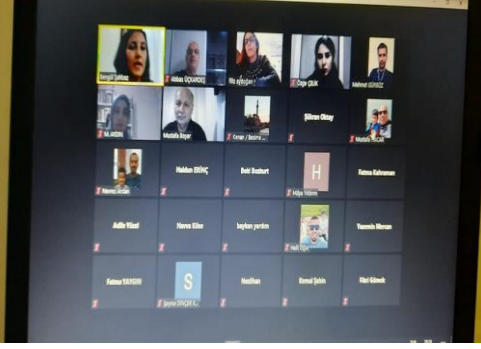

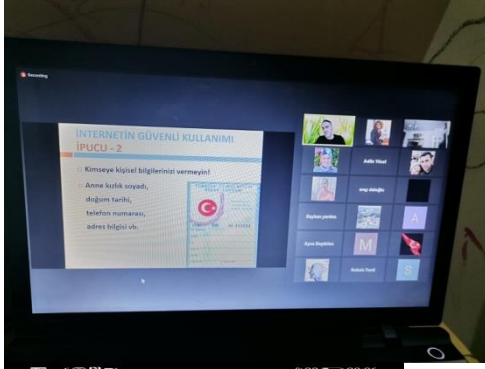

## Conscious INTERNET use Personnel Training (2020-2021 academic year)

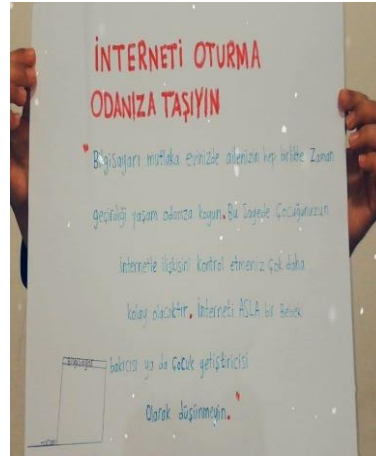

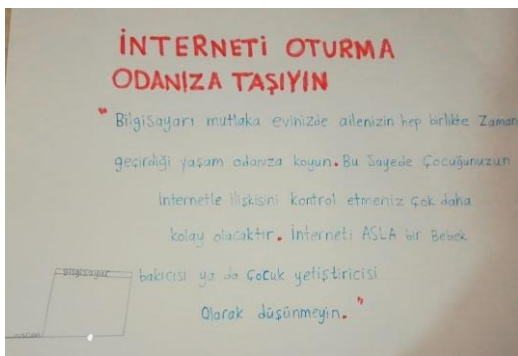

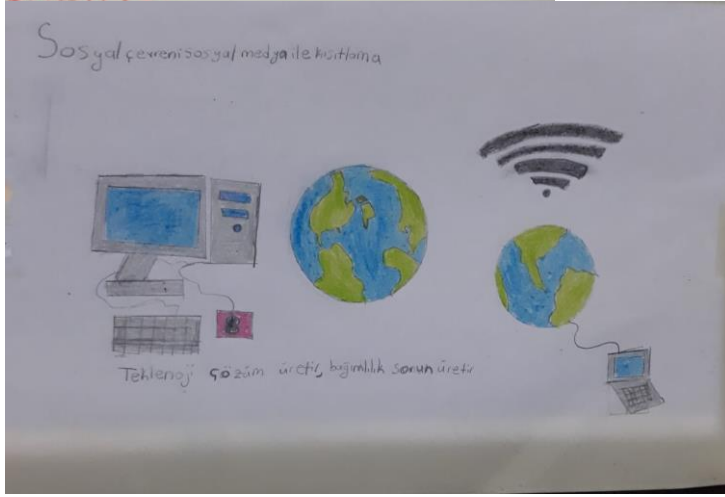

09.12.2020 on Wednesday, Our school formator teacher Emre KILIÇLIOĞLU gave a presentation on "conscious Internet use" to our school administrators and teachers.
